### 19 **GENERAL ALLEGATIONS**

20 11. Prior to January 2003, Plaintiff and Carter Reese entered into a  
 21 Pollution Legal Liability Select Policy, Policy No. PLS 3778106 ("Policy  
 22 Agreement"), which was effective from January 31, 2003 until January 31, 2008.  
 23 Under the terms of the Policy Agreement, Plaintiff was obligated to reimburse  
 24 Carter Reese for payments made in connection with environmental contamination /  
 25 pollution found on 2930 El Cajon Boulevard and 4327 Kansas Street, San Diego,  
 26 CA 92104 ("Subject Property") up to one million dollars (\$1,000,000). A true and  
 27 correct copy of the Policy Agreement is attached hereto as Exhibit A. Under the  
 28

1 terms of the Policy Agreement, Plaintiff was and is subrogated to the rights of  
2 Carter Reese, as follows:

3            "In the event of any payment under this Policy, the  
4            Company shall be subrogated to all [Carter  
5            Reese's] rights of recovery therefore against any  
6            person or organization and [Carter Reese] shall  
7            execute and deliver instruments and papers and do  
8            whatever else is necessary to secure such rights  
9            including without limitation, assignment of [Carter  
10           Reese's] rights against any person or organization  
11           who cause Pollution Conditions on account of  
12           which the Company made any payment under this  
13           Policy. [Carter Reese] shall do nothing to  
14           prejudice the Company's rights under this  
15           paragraph subsequent to Loss." See Policy  
16           Agreement Section VI Subsection B.

17           12. On or about April 16, 2002, Carter Reese entered into a contract to  
18           purchase the Subject Property from Wells Fargo Bank Minnesota. Carter Reese  
19           intended to develop the Subject Property into a for profit housing complex.

20           13. During excavation of the Subject Property, Carter Reese discovered  
21           hazardous substances in the soil, including but not limited to, lead contamination.  
22           In response to this contamination, Carter Reese contracted with its environmental  
23           consultants to have the hazardous substances removed from the Subject Property.

24           14. Remediation of the Subject Property was completed on or around  
25           March of 2005, which was within the past three (3) years.

26           15. After Carter Reese had paid for all of the costs associated with the  
27           removal/remediation of the contaminated soil, Carter Reese demanded  
28           reimbursement from Plaintiff based on the Policy Agreement.

          16. Pursuant to the Policy Agreement, Plaintiff reimbursed Carter Reese  
for \$253,855.13, the amounts that Carter Reese expended in connection with the  
remediation of the contamination of the Subject Property.

1           17. Plaintiff is informed and believes, and thereon alleges, that prior to  
2 2002, Defendants held an ownership interest in and/or operated on the Subject  
3 Property for some period of time.

4           18. Plaintiff is informed and believes, and thereon alleges, that during  
5 their respective periods of ownership, operation of, or activities at the Subject  
6 Property, Defendants, and each of them, conducted activities on the Subject  
7 Property which involved the transport, use, storage, treatment, and/or disposal of  
8 hazardous substances as defined in CERCLA § 101(14), 42 U.S.C.S. § 9601(14).

9           19. Plaintiff is further informed and believes, and thereon alleges, that  
10 during their respective periods of ownership, operation of, or activities at the  
11 Subject Property, Defendants, and each of them, caused or allowed such hazardous  
12 substances to be released into the environment, within the meaning of CERCLA §  
13 101(22), 42 U.S.C.S. § 9601(22), or allowed such hazardous substances to exist in  
14 such a state that there existed a threat of such release.

15           20. Plaintiff is informed and believes, and thereon alleges, that Carter  
16 Reese had no connection with the Subject Property until 2002. Thereafter, Carter  
17 Reese began development of the Subject Property into a for profit housing  
18 complex. At the time Carter Reese purchased the Subject Property, Plaintiff is  
19 informed and believes that Carter Reese had no knowledge of the contamination  
20 problem on the Subject Property. Plaintiff is informed and believes that such  
21 contamination was not discovered by and not apparent to Carter Reese or to  
22 Plaintiff until September and October of 2004.

23           21. Because of the contamination, Carter Reese was forced to retain an  
24 environmental consultant for the purpose of remediating the contamination from  
25 the Subject Property. As a result, Carter Reese incurred substantial response costs  
26 in addressing, evaluating, and remediating this contamination, for which Plaintiff  
27 has reimbursed Carter Reese.

FIRST CAUSE OF ACTION

(For Recovery of Response Costs Pursuant to CERCLA § 107(a))

(Against All Defendants and Does 1 through 10)

22. Plaintiff hereby re-alleges and incorporates by reference paragraphs 1 through 21 as though fully set forth herein.

23. Each of the Defendants is a “person” as defined in CERCLA § 101(21), 42 U.S.C.S. § 9601(21).

24. The Subject Property is a “facility” as defined in CERCLA § 101(9), 42 U.S.C.S. § 9601(9). Plaintiff is informed and believes, and thereon alleges, that Defendants, and each of them, were “persons” who “owned” and/or “operated” the Subject Property at the time of the disposal of hazardous substances thereupon, and/or at the time that hazardous substances were released into the environment at the Subject Property.

25. Plaintiff is further informed and believes, and thereon alleges, that Defendants, and each of them, released and/or arranged for the disposal or treatment, or transport for disposal or treatment, of hazardous substances at or upon the Subject Property.

26. Plaintiff is informed and believes, and thereon alleges, that the Defendants, and each of them, proximately caused releases or threatened releases of hazardous substances into and/or from the Subject Property.

27. As a direct and proximate result of the actions of Defendants, and each of them, as alleged herein, Plaintiff has reimbursed Carter Reese for Carter Reese’s response costs consistent with the national contingency plan in responding to the releases or threatened release of hazardous substances at the Subject Property within the meaning of CERCLA § 107(a), 42 U.S.C.S. § 9607(a).

28. Pursuant to CERCLA § 113(l), 42 U.S.C.S. § 9613(l), a copy of this complaint was provided to the Attorney General of the United States and to the Administrator of the Environmental Protection Agency.

1           29. Based thereon, Plaintiff is entitled to an award of response costs and  
2 other appropriate damages according to proof at trial.

3                               SECOND CAUSE OF ACTION

4           (For Response Costs Pursuant to California Hazardous Substances Account Act)

5                               (Against All Defendants and DOES 1 through 10)

6           30. Plaintiff hereby re-alleges and incorporates by reference paragraphs 1  
7 through 29 as though fully set forth herein.

8           31. Each of the Defendants is a “responsible party” and/or “liable person”  
9 within the meaning of the California Hazardous Substances Account Act  
10 (“HSAA”), Cal. Health & Safety Code § 25323.5(a)(1), and Section 107(a) of  
11 CERCLA, 42 U.S.C.S. § 9607(a).

12          32. Plaintiff is a person who has reimbursed Carter Reese who has  
13 incurred removal and/or remedial action costs under HSAA and CERCLA.

14          33. Pursuant to California Health & Safety Code § 25363(e), a copy of  
15 this complaint was provided to the Department of Toxic Control Substances.

16          34. Plaintiff is entitled to and hereby seeks contribution and/or indemnity  
17 pursuant to Cal. Health & Safety Code § 25363(e) from Defendants for their  
18 equitable share of removal and/or remedial action costs that Plaintiff has incurred  
19 at the Subject Property.

20                               THIRD CAUSE OF ACTION

21                               (For Equitable Indemnity)

22                               (Against All Defendants and DOES 1 through 10)

23          35. Plaintiff hereby re-alleges and incorporates by reference paragraphs 1  
24 through 34 as though fully set forth herein.

25          36. The costs incurred by Carter Reese, which were reimbursed by  
26 Plaintiff, to investigate, remove, remediate or otherwise respond to the release or  
27 threatened release of hazardous substances at the Subject Property are entirely or  
28 substantially the result of the conduct of Defendants, and each of them. Therefore,

1 Plaintiff is entitled to complete indemnity from Defendants for such expenses  
2 pursuant to the doctrine of equitable indemnity.

3 FOURTH CAUSE OF ACTION

4 (For Continuing Nuisance)

5 (Against All Defendants and DOES 1 through 10)

6 37. Plaintiff hereby re-alleges and incorporates by reference paragraphs 1  
7 through 36 as though fully set forth herein.

8 38. Plaintiff seeks economic and property damages proximately caused by  
9 the acts and omissions of Defendants, and each of them, resulting in the  
10 environmental contamination at the Subject Property. Plaintiff seeks such damages  
11 only to the extent any are not recoverable or available as response costs under  
12 CERCLA, and are not barred by the provisions of CERCLA, and do not conflict or  
13 interfere with the accomplishment and execution of CERCLA's objectives.

14 39. Plaintiff is informed and believes, and based thereon alleges, that at  
15 all times during Defendants' respective ownerships of the facilities located on the  
16 Subject Property, Defendants used those facilities in violation of the law and public  
17 and private safety by improperly releasing, discharging, handling, and disposing of  
18 hazardous substances, resulting in the contamination of the Subject Property.

19 40. Plaintiff is informed and believes, and based thereon alleges, that the  
20 contamination at the Subject Property caused by the tortious and unlawful disposal  
21 and release of hazardous substances, constitutes a continuing nuisance under  
22 California Civil Code Section 3479 because the nuisance was abatable.

23 41. As a proximate result of the nuisance created by Defendants, and each  
24 of them, Plaintiff has incurred special damages and costs alleged above, through  
25 the reimbursement of Carter Reese's response costs, which entitle Plaintiff to  
26 pursue this nuisance claim.

To pay on behalf of the Insured, Loss that the Insured becomes legally obligated to pay as a result of Claims for Bodily Injury, Property Damage or Clean-Up Costs resulting from Pollution Conditions caused by Transported Cargo, provided such Claims are first made against the Insured and reported to the Company in

writing during the Policy Period, or during the Extended Reporting Period if applicable. This coverage shall not be utilized to evidence financial responsibility of any Insured under any federal, state, provincial or local law.

**COVERAGE J - BUSINESS INTERRUPTION COVERAGE - ACTUAL LOSS OR RENTAL VALUE (ONLY AVAILABLE IF COVERAGE A, COVERAGE B OR BOTH COVERAGES A AND B ARE PURCHASED)**

To pay the Insured's Actual Loss or loss of Rental Value, and Extra Expense to the extent it reduces Actual Loss or loss of Rental Value otherwise payable under this coverage section, resulting from an Interruption caused directly by Pollution Conditions on or under the Insured Property. If the Interruption is caused by such Pollution Conditions and any other cause, the Company shall pay only for that portion of Actual Loss or loss of Rental Value, and Extra Expense resulting from an Interruption caused solely and directly by such Pollution Conditions.

**1. Such Pollution Conditions must:**

- (a) (i) commence prior to the Continuity Date, if the Named Insured has purchased Coverage A, under this Policy; or
- (ii) commence on or after the Continuity Date, if the Named Insured has purchased Coverage B, under this Policy; and

(b) be first discovered by the Insured during the Policy Period. Discovery of Pollution Conditions happens when a Responsible Insured becomes aware of Pollution Conditions.

2. An Interruption must be reported to the Company, no later than thirty (30) days after its commencement. The Insured shall, as soon as practicable, resume normal operation of the business and disburse with Extra Expense.

3. In determining Actual Loss or loss of Rental Value, the Report/Worksheet annexed to this Policy and made a part of it shall be utilized. If the Insured could reduce the Actual Loss or loss of Rental Value, or Extra Expense resulting from an Interruption:

- (a) by complete or partial resumption of operations; or
- (b) by making use of other property at the Insured Property, or elsewhere,

such reductions shall be taken into account in arriving at Actual Loss or loss of Rental Value or Extra Expense.

**2. LEGAL EXPENSE AND DEFENSE**

The Company shall have the right and the duty to defend any Claims covered under Coverages A through I provided the Named Insured has purchased such Coverage. The Company's duty to defend or continue defending any such Claim, and to pay any Loss, shall cease once the applicable limit of liability, as described in Section V. LIMITS OF COVERAGE; DEDUCTIBLE has been exhausted. Defense costs, charges and expenses are included in Loss and reduce the applicable limit of liability, as described in Section V., and are included within the Deductible amount for the Coverage Section that applies and is shown in Item 3 of the Declarations.

The Company will present any settlement offers to the Insured, and if the Insured refuses to consent to any settlement within the limits of liability of this Policy recommended by the Company and acceptable to the claimant, the Company's duty to defend the Insured shall then cease and the Insured shall thereafter negotiate or defend such Claim independently of the Company and the Company's liability shall not exceed the amount, less the Deductible or any outstanding Deductible balance, for which the Claim could have been settled if such recommendation was consented to.

**3. INDEPENDENT COUNSEL**

In the event the Insured is entitled by law to select independent counsel to defend the Insured at the Company's expense, the attorney fees and all other litigation expenses the Company must pay to that counsel are limited to the rates the Company would actually pay to counsel that the Company retains in the

ordinary course of business in the defense of similar Claims in the community where the Claim arose or is being defended.

Additionally, the Company may exercise the right to require that such counsel have certain minimum qualifications with respect to their competency, including experience in defending Claims similar to the one pending against the Insured, and to require such counsel to have errors and omissions insurance coverage. As respects any such counsel, the Insured agrees that counsel will timely respond to the Company's request for information regarding the Claim. The Insured may at any time, by its signed consent, freely and fully waive its right to select independent counsel.

Any Possible Claim which subsequently becomes a Claim made against the Insured and reported to the Company within five (5) years after the end of the Policy Period of this Policy or any continuous, uninterrupted renewal thereof, shall be deemed to have been first made and reported during the Policy Period of this Policy. Such Claim shall be subject to the terms, conditions and limits of coverage of the policy under which the Possible Claim was reported.
2. It is a condition precedent to the coverage afforded by this Section III. B that written notice under Paragraph 1. above contain all of the following information: (a) the cause of the Pollution Conditions; (b) the Insured Property or other location where the Pollution Conditions took place; (c) the Bodily Injury, Property Damage or Clean-Up Costs which has resulted or may result from such Pollution Conditions; (d) the Insured(s) which may be subject to the Claim and any potential claimant(s); (e) all engineering information available on the Pollution Conditions and any other information that the Company deems reasonably necessary; and (f) the circumstances by which and the date the Insured first became aware of the Possible Claim.

### **IV. RIGHTS OF THE COMPANY AND DUTIES OF THE INSURED IN THE EVENT OF POLLUTION CONDITIONS**

#### **A. The Company's Rights**

The Company shall have the right but not the duty to clean up or mitigate Pollution Conditions upon receiving notice as provided in Section III. of this Policy. Any sums expended in taking such action by the Company will be deemed incurred or expended by the Insured and shall be applied against the limits of coverage and deductible under this Policy.

#### **B. Duties of the Insured**

The Named Insured shall have the duty to clean up Pollution Conditions to the extent required by Environmental Law, by retaining competent professional(s) or contractor(s) mutually acceptable to the Company and the Named Insured. The Company shall have the right but not the duty to review and approve all aspects of any such clean-up. The Named Insured shall notify the Company of actions and measures taken pursuant to this paragraph.

**V. LIMITS OF COVERAGE; DEDUCTIBLE**

Regardless of the number of Claims, claimants, Pollution Conditions or Insureds under this Policy, the following limits of liability apply:

**A. Policy Aggregate Limit**

The Company's total liability for all Loss, under Coverages A through I, and all Actual Loss, loss of Rental Value and Extra Expense under Coverage J, shall not exceed the "Policy Aggregate" stated in Item 4 of the Declarations. The Company's internal expenses do not erode the limit of liability available for any Loss.

**B. Each Incident Limit - Coverages A Through I**

1. Subject to Paragraph V.A. above, the most the Company will pay for all Loss under each Coverage in Coverages A through I arising from the same, related or continuous Pollution Conditions is the "Each Incident" limit of coverage for that particular coverage stated in Item 3 of the Declarations.
2. If the Insured first discovers Pollution Conditions during the Policy Period and reports them to the Company in accordance with Section III., all continuous or related Pollution Conditions reported to the Company under a subsequent Pollution Legal Liability Policy issued by the Company or its affiliate providing substantially the same coverage as this Policy shall be deemed to have been first discovered and reported during the Policy Period.
3. If a Claim for Bodily Injury, Property Damage, or Clean-Up Costs is first made against the Insured and reported to the Company during the Policy Period, all Claims for Bodily Injury, Property Damage or Clean-Up Costs, arising from the same, continuous or related Pollution Conditions that are first made against the Insured and reported under a subsequent Pollution Legal Liability Policy issued by the Company or its affiliate providing substantially the same coverage as this Policy, shall be deemed to have been first made and reported during the Policy Period. Coverage under this Policy for such Claims shall not apply, however, unless at the time such Claims are first made and reported, the Insured has maintained with the Company or its affiliate Pollution Legal Liability coverage substantially the same as this coverage on a continuous, uninterrupted basis since the first such Claim was made against the Insured and reported to the Company.

**C. Coverage Section Aggregate Limit**

Subject to Paragraph V. A. above, the Company's total liability for all Loss under each Coverage in Coverages A through I, shall not exceed the "Coverage Section Aggregate" limit of coverage for that particular coverage stated in Item 3 of the Declarations.

**D. Maximum for All Business Interruption**

Subject to Paragraph V. A. above, the maximum amount for which the Company is liable for all Actual Loss or loss of Rental Value, and Extra Expense under Coverage J is 80% of the lesser of:

1. The Actual Loss and Extra Expense, or loss of Rental Value and Extra Expense, whichever is applicable, incurred during the number of days of interruption of business stated in Item 3 of the Declarations; and
2. The amount stated in Item 3 of the Declarations.

It is a condition of Coverage J that the remaining 20% of such amount be borne by the Insured at its own risk and remain uninsured.

**E. Multiple Coverages**

Subject to Paragraph V. A. above, if the same, related or continuous Pollution Conditions result in coverage under more than one Coverage under Coverages A through J, every applicable "Each Incident," "Coverage Section Aggregate," and "Maximum for All Business Interruption" limit of coverage

among such coverage sections shall apply to the Clean-Up Costs, Loss, Actual Loss and Extra Expense, or loss of Rental Value and Extra Expense, whichever is applicable, resulting from such Pollution Conditions.

#### **F. Deductible**

##### **1. Coverages A through I**

Subject to Paragraphs V. A. through V.E. above, this Policy is to pay covered Loss in excess of the Deductible amount stated in Item 3 of the Declarations for the applicable coverage, up to but not exceeding the applicable "Each Incident" limit of coverage.

If the same, related or continuous Pollution Conditions result in coverage under more than one coverage section in Coverages A through I, only the highest Deductible amount stated in Item 3 of the Declarations among all the coverage sections applicable to the Loss will apply.

The Insured shall promptly reimburse the Company for advancing any element of Loss falling within the Deductible.

##### **2. Coverage J**

Subject to Paragraphs V.A. through V.E. above, this Policy is to pay the Actual Loss or loss of Rental Value, and Extra Expense under Coverage J in excess of the Actual Loss or loss of Rental Value, and Extra Expense sustained during the first seven (7) days of an Interruption during the Period of Restoration. The seven (7) day period applies to all Actual Loss, or loss of Rental Value, and Extra Expense arising from the same, related or continuous Pollution Conditions.

#### **VI. CONDITIONS**

- A. Assignment** - This Policy may be assigned with the prior written consent of the Company, which consent shall not be unreasonably withheld or delayed. Assignment of interest under this Policy shall not bind the Company until its consent is endorsed thereon.
- B. Subrogation** - In the event of any payment under this Policy, the Company shall be subrogated to all the Insured's rights of recovery therefor against any person or organization and the Insured shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights including without limitation, assignment of the Insured's rights against any person or organization who caused Pollution Conditions on account of which the Company made any payment under this Policy. The Insured shall do nothing to prejudice the Company's rights under this paragraph subsequent to Loss. Any recovery as a result of subrogation proceedings arising out of the payment of Loss covered under this Policy shall accrue first to the Insured to the extent of any payments in excess of the limit of coverage; then to the Company to the extent of its payment under the Policy; and then to the Insured to the extent of its Deductible. Expenses incurred in such subrogation proceedings shall be apportioned among the interested parties in the recovery in the proportion that each interested party's share in the recovery bears to the total recovery.
- C. Cooperation** - The Insured shall cooperate with the Company and offer all reasonable assistance in the investigation and defense of Claims under the applicable Coverages purchased. The Company may require that the Insured submit to examination under oath, and attend hearings, depositions and trials. In the course of investigation or defense, the Company may require written statements or the Insured's attendance at meetings with the Company. The Insured must assist the Company in effecting settlement, securing and providing evidence and obtaining the attendance of witnesses.
- D. Changes** - Notice to any agent or knowledge possessed by any agent or by any other person shall not effect a waiver or a change in any part of this Policy or estop the Company from asserting any rights under the terms of this Policy; nor shall the terms of this Policy be waived or changed, except by endorsement issued to form a part of this Policy.

- E. Voluntary Payments** - No Insured shall voluntarily enter into any settlement, or make any payment or assume any obligation unless in response to an emergency or pursuant to Environmental Laws that require immediate remediation of Pollution Conditions, without the Company's consent which shall not be unreasonably withheld, except at the Insured's own cost.
- F. Concealment or Fraud** - This entire Policy shall be void if, whether before or after Clean-Up Costs are incurred or a Claim is first made, the Named Insured has willfully concealed or misrepresented any fact or circumstance material to the granting of coverage under this Policy, the description of the Insured Property, or the interest of the Insured therein.
- G. Cancellation** - This Policy may be cancelled by the Named Insured by surrender thereof to the Company or any of its authorized agents or by mailing to the Company written notice stating when thereafter the cancellation shall be effective. This Policy may be cancelled by the Company only for the reasons stated below by mailing to the Named Insured at the address shown in the Policy, written notice stating when not less than 60 days (10 days for nonpayment of premium) thereafter such cancellation shall be effective. Proof of mailing of such notice shall be sufficient proof of notice.
1. Material misrepresentation by the Insured;
  2. The Insured's failure to comply with the material terms, conditions or contractual obligations under this Policy, including failure to pay any premium or Deductible when due;
  3. A change in operations at an Insured Property during the Policy Period that materially increases a risk covered under this Policy.
- The time of surrender or the effective date and hour of cancellation stated in the notice shall become the end of the Policy Period. Delivery of such written notice either by the Named Insured or by the Company shall be equivalent to mailing. If the Named Insured cancels, earned premium shall be computed in accordance with the customary short rate table and procedure. If the Company cancels, earned premium shall be computed pro-rata. Premium adjustment may be either at the time cancellation is effected or as soon as practicable after cancellation becomes effective, but payment or tender of unearned premium is not a condition of cancellation.
- H. Other Insurance** - Where other insurance may be available for Loss, Actual Loss or loss of Rental Value, and Extra Expense covered under this Policy, the Insured shall promptly upon request of the Company provide the Company with copies of all such policies. If other valid and collectible insurance is available to the Insured for Loss Actual Loss or loss of Rental Value, and Extra Expense covered by this Policy, the Company's obligations are limited as follows:
1. This insurance is primary, and the Company's obligations are not affected unless any of the other insurance is also primary. In that case, the Company will share with all such other insurance by the method described in Paragraph 2. below.
  2. If all of the other insurance permits contribution by equal shares, the Company will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first. If any of the other insurance does not permit contribution by equal shares, the Company will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.
- I. Right of Access and Inspection** - To the extent the Insured has such rights, any of the Company's authorized representatives shall have the right and opportunity but not the obligation to interview persons employed by the Insured and to inspect at any reasonable time, during the Policy Period or thereafter, the Insured Property. Neither the Company nor its representatives shall assume any responsibility or duty to the Insured or to any other party, person or entity, by reason of such right or inspection. Neither the Company's right to make inspections, sample and monitor, nor the actual undertaking thereof nor any report thereon shall constitute an undertaking on behalf of the Insured or others, to determine or warrant that property or operations are safe, healthful or conform to acceptable engineering practices or are in compliance with any law, rule or regulation. The Named Insured agrees to provide appropriate personnel to assist the Company's representatives during any inspection.

**J. Access to Information** - The Named Insured agrees to provide the Company with access to any information developed or discovered by the Insured concerning Loss covered under this Policy, whether or not deemed by the Insured to be relevant to such Loss and to provide the Company access to interview any Insured and review any documents of the Insured.

**K. Representations** - By acceptance of this Policy, the Named Insured agrees that the statements in the Declarations, the Application and the Report/Worksheet are their agreements and representations, that this Policy is issued in reliance upon the truth of such representations and that this Policy embodies all agreements existing between the Insured and the Company or any of its agents relating to this insurance.

**L. Action Against Company** - No third-party action shall lie against the Company, unless as a condition precedent thereto there shall have been full compliance with all of the terms of this Policy, nor until the amount of the Insured's obligation to pay shall have been finally determined either by judgment against the Insured after actual trial or by written agreement of the Insured, the claimant and the Company.

Any person or organization or the legal representative thereof who has secured such judgment or written agreement shall thereafter be entitled to recover under this Policy to the extent of the insurance afforded by the Policy. No person or organization shall have any right under this Policy to join the Company as a party to any action against the Insured to determine the Insured's liability, nor shall the Company be impleaded by the Insured or his legal representative. Bankruptcy or insolvency of the Insured or of the Insured's estate shall not relieve the Company of any of its obligations hereunder.

**M. Arbitration** - It is hereby understood and agreed that all disputes or differences that may arise under or in connection with this Policy, whether arising before or after termination of this Policy, including any determination of the amount of Loss, may be submitted to the American Arbitration Association under and in accordance with its then prevailing commercial arbitration rules. The arbitrators shall be chosen in the manner and within the time frames provided by such rules. If permitted under such rules, the arbitrators shall be three disinterested individuals having knowledge of the legal, corporate management, or insurance issues relevant to the matters in dispute.

Any party may commence such arbitration proceeding and the arbitration shall be conducted in the Insured's state of domicile. The arbitrators shall give due consideration to the general principles of the law of the Insured's state of domicile in the construction and interpretation of the provisions of this Policy; provided, however, that the terms, conditions, provisions and exclusions of this Policy are to be construed in an evenhanded fashion as between the parties. Where the language of this Policy is alleged to be ambiguous or otherwise unclear, the issue shall be resolved in the manner most consistent with the relevant terms, conditions, provisions or exclusions of the Policy (without regard to the authorship of the language, the doctrine of reasonable expectation of the parties and without any presumption or arbitrary interpretation or construction in favor of either party or parties, and in accordance with the intent of the parties).

The written decision of the arbitrators shall set forth its reasoning, shall be provided simultaneously to both parties and shall be binding on them. The arbitrators' award shall not include attorney fees or other costs. Judgment on the award may be entered in any court of competent jurisdiction. Each party shall bear equally the expenses of the arbitration.

**N. Service Of Suit** - Subject to Paragraph M. above, it is agreed that in the event of failure of the Company to pay any amount claimed to be due hereunder, the Company, at the request of the Insured, will submit to the jurisdiction of a court of competent jurisdiction within the United States. Nothing in this condition constitutes or should be understood to constitute a waiver of the Company's rights to commence an action in any court of competent jurisdiction in the United States, to remove an action to a United States District Court, or to seek a transfer of a case to another court as permitted by the laws of the United States or of any state in the United States. It is further agreed that service of process in such suit may be made upon Counsel, Legal Department, American International Specialty Lines Insurance Company, 70 Pine Street, New York, New York 10270, or his or her representative, and that in any suit instituted against the Company upon this contract, the Company will abide by the final decision of such court or of any appellate court in the event of any appeal.

Further, pursuant to any statute of any state, territory, or district of the United States which makes provision therefor, the Company hereby designates the Superintendent, Commissioner, Director of Insurance, or other officer specified for that purpose in the statute, or his or her successor or successors in office as its true and lawful attorney upon whom may be served any lawful process in any action, suit or proceeding instituted by or on behalf of the Insured or any beneficiary hereunder arising out of this contract of insurance, and hereby designates the above named Counsel as the person to whom the said officer is authorized to mail such process or a true copy thereof.

**O. Acknowledgment of Shared Limits** - By acceptance of this Policy, the Named Insureds understand, agree and acknowledge that the Policy contains a Policy Aggregate Limit that is applicable to, and will be shared by, all Named Insureds and all other Insureds who are or may become insured hereunder. In view of the operation and nature of this shared Policy Aggregate Limit, the Named Insureds and all other Insureds understand and agree that prior to filing a Claim under the Policy, the Policy Aggregate Limit may be exhausted or reduced by prior payments for other Claims under the Policy.

**P. Separation of Insureds** - It is hereby agreed that except with respect to the Limit of Liability, Section II. F. (Insured vs. Insured exclusion), and any rights and duties specifically assigned to the first Named Insured, this insurance applies: 1. As if each Named Insured were the only Named Insured; and 2. Separately to each Named Insured against who a Claim is made. Misrepresentation, concealment, breach of a term or condition, or violation of any duty under this Policy by one Named Insured shall not prejudice the interest of coverage for another Named Insured under this Policy. Provided, however, that this Condition shall not apply to any Named Insured who is a parent, subsidiary or affiliate of the first Named Insured.

#### **VII. EXTENDED REPORTING PERIOD FOR CLAIMS - COVERAGES A THROUGH I**

The Named Insured shall be entitled to an Automatic Extended Reporting Period, and (with certain exceptions as described in Paragraph B. of this Section) be entitled to purchase an Optional Extended Reporting Period for Coverages A through I collectively, upon termination of coverage as defined in Paragraph B.3. of this Section. Neither the Automatic nor the Optional Extended Reporting Period shall reinstate or increase any of the limits of liability of this Policy.

##### **A. Automatic Extended Reporting Period**

Provided that the Named Insured has not purchased any other insurance to replace this insurance and which applies to a Claim otherwise covered hereunder, the Named Insured shall have the right to the following: a period of sixty (60) days following the effective date of such termination of coverage in which to provide written notice to the Company of Claims first made and reported within the Automatic Extended Reporting Period.

A Claim first made and reported within the Automatic Extended Reporting Period will be deemed to have been made on the last day of the Policy Period, provided that the Claim arises from Pollution Conditions that commenced before the end of the Policy Period and is otherwise covered by this Policy. No part of the Automatic Extended Reporting Period shall apply if the Optional Extended Reporting Period is purchased.

##### **B. Optional Extended Reporting Period**

The Named Insured shall be entitled to purchase an Optional Extended Reporting Period upon termination of coverage as defined herein (except in the event of nonpayment of premium), as follows:

1. A Claim first made and reported within the Optional Extended Reporting Period, if purchased in accordance with the provisions contained in Paragraph 2. below, will be deemed to have been made on the last day of the Policy Period, provided that the Claim arises from Pollution Conditions that commenced before the end of the Policy Period and is otherwise covered by this Policy.
2. The Company shall issue an endorsement providing an Optional Extended Reporting Period of up to forty (40) months from termination of coverage hereunder for all Insured Properties and Non-Owned Locations, if applicable, or any specific Insured Property or Non-Owned Location, provided that the Named Insured:

- (a) makes a written request for such endorsement which the Company receives within thirty (30) days after termination of coverage as defined herein; and
- (b) pays the additional premium when due. If that additional premium is paid when due, the Extended Reporting Period may not be cancelled, provided that all other terms and conditions of the Policy are met.
- 3. Termination of coverage occurs at the time of cancellation or nonrenewal of this Policy by the Named Insured or by the Company, or at the time of the Company's deletion of a location which previously was an Insured Property or Non-Owned Location.
